Sir,

I have the honour to state -

that the villagers of Gandasi Hobly in Arsikere Taluk - have petitioned to me praying that a Shandy or weekly market may be ordered to be held at Gandasi, alleging that a weekly market was being

being held at the place on every Wednesday and that after it was stopped about 20 years back, they have been put to much inconveniences for either selling grain or getting provisions per consumption from the adjoining Shandy places which are of long distances.

Dessikere 12 miles
Dudda 10—
Ané Bagoor 12—
Chennaraipatna 22—
Sultan 16—

2. From the particulars noted in the margin, it will be observed that weekly markets are held all round Gundasi at 12 miles distance and the rayats complain that they could not conveniently get back to their homes by the Evening after attending the weekly Market particularly in the case of females who in large numbers are accustomed to visit the weekly markets for purchasing the provisions among the agricultural classes

3. From Enquiry it has been

been ascertained by the Amildar that on every Wednesday a weekly market was being held at the place and that the same was stopped under peculiar circumstances long ago. In connection with the outbreak of plague at Dudda in Hasan Taluk, the weekly market that is held there on every Saturday was temporarily transferred to Gandasi for the convenience of the people in that part of the district and only very recently the Shanday was re-transferred to Dudda, the Epidemic having subsided.

4. During the current year's jamabandy of the Taluk, the villagers came to me in a body at Gandasi and urged the necessity for a weekly market at the place. From local enquiries

Enquiries made I came to know that they are really in need of a Shandy gathering at the place which is the central station of the Noble considering the long distances of the weekly markets as noted above

5 Under the above circumstances I am inclined to believe that it is very necessary to comply with their prayers and allow a weekly market to be held there on every Thursday tentatively for one year in the interests of the villagers and therefore beg to recommend that Sir will be good Enough to obtain Sanction of Government in the matter.

I have the honour to be
Sir
Your most obedient servant

to be a very profperous one. from the enclosed book which had been ordered to be manfained for shewing the nature of the business transacted, it will appear that on the first day the Sante was held, viz on 2d October 1902, the number of people that were gathered were nearly 2600, the carts were 204 and the amount of transaction was for Rs 1290 approximately. It will further be seen that on no day the above particulars were less. On the other hand, the highest no of persons gathered were 5600, the carts 419 and the amount of transaction Rs 12164. Some of the figures given in the margin furnish an idea as to the condition of the Sante

2 From my previous report in the subject no: 27 Dated 10th Jany 1902, it may be seen that there

is

is no Sanitè within ten miles from it. Hence it is highly desirable for the convenience of the Raiyat population in the surrounding villages that a weekly Sanitè is permanently held at the place. From the figures above given, they are encouraging to indicate that the Sanitè is likely to become a centre of Commerce.—

2. For the foregoing reasons, I beg that you will be good enough to obtain sanction of Government for the Sanitè to be held permanently at Gandai—

4. The Vernacular papers ending with General Assistant Commissioner's Yadi No. 369 Dated 18th September 1903, are herewith submitted for reference and obliging return.

SIR,

I have the honor to forward herewith for the orders of Government letters No 68 dated 17th August 1903 and No 251 dated 29th February 1904 from the Deputy Commissioner Chitaldrug District in original (with Enclosures) requesting sanction for holding a weekly market (Sante) at Dhamapur in the Hiriyur Taluk, on every Wednesday and for holding in abeyance for one year the collection of Sayer Duty in the Sante and to recommend that the

the Holding of the Saute may be Sanctioned.

2. In my Opinion the Exemption from Sayer for one year asked for is theoretically unsound. But it is in conformity with the traditional ideas of the people and some relaxation of the rules of the kind proposed by the Deputy Commissioner is necessary to coax trade to the new market-place.

The Deputy Commr represents that Dharmapur is the Head Quarters of the Hobli of the same name in the Hiriyur Taluk, the nearest market thereto being not less than 12 miles. The people of Dharmapur and the surrounding villages who are obliged to go to the Santé at Amarapura in His Majesty's

The holding of a Sante at Dharampur is therefore proposed and the concession of holding in the collection of Sayar duty abeyance for a period of one year with a view to attract traders to the market is recommended. The Revenue Commr supports the proposal of the Dy Commr.
